

Dedicated and detail-oriented filmmaker with a highly comprehensive technical skill set. I specialize in ensuring the seamless operation of film and television production equipment. With hands-on experience in lighting and camera systems, I thrive in fast-paced studio environments. With proven ability to troubleshoot and resolve technical issues efficiently, and by using my excellent communication skills, I am ready to leverage my expertise to support the smooth execution of any film set's creative endeavors.

## WORK EXPERIENCE

### LEAD STUDIO TECHNICIAN | UNIVERSITY OF PORTSMOUTH

SEP. 2024 - CURRENT | Portsmouth, UK

- Assisted University-level teaching in the BA Film Production course workshops
- Learned to review and sign off risk assessments, as well as guide students on them
- Took care of arranging and timetabling all of the Faculty's film studio bookings
- First responder to the students' film-related technical support queries
- Gained more hands-on experience with high-end cinema cameras and audio recorders

### VARIOUS CREATIVE ROLES IN FILM PRODUCTION

London & Portsmouth areas, England, UK

- Directed, shot and edited a documentary and acted as the photojournalist for a London-based dental clinic taking place in Sierra Leone, West Africa, documenting a charitable medical mission, using owned equipment (October 2023).
- Shot three award-winning graduate short films in 2023 as part of my University degree as cinematographer (short films listed below) using the Sony FS7 and Blackmagic 6K Pro cameras (March 2023);
- Filmed and edited over 10 live sports events and photographed live press conferences using a wide range of owned and rented camera equipment;
- Provided a wide range of creative video services for 3 Youtube channels (2022 - 2024)

### LEAD VIDEOGRAPHER | NOTJUSTBOXING

JAN. 2022 - NOV. 2024 | PORTSMOUTH, UK

- Shot and edited over 100 hours of podcast-style content, as well as live sports events
- Further developed my social media content creation skills, as well as Youtube SEO

### FREELANCE VIDEO EDITOR | SIZZLE STUDIOS

OCT. 2023 - JAN. 2024 | London, UK

- Edited multiple promotional videos for prestigious construction firms around the UK
- Closely followed project briefs to ensure client satisfaction
- Ensured timely delivery in the desired format(s).

### VARIOUS CREATIVE ROLES IN PHOTOGRAPHY

London & Portsmouth areas, England, UK

- Photographed multiple corporate events for established companies such as VATECH UK (January 2025)
- Worked with UK sports outlets to photograph fast-paced live sports (boxing) events, as well as capturing moments from press conferences (2023-2024)
- Behind-The-Scenes photographer roles in various film productions
